Thank you for considering your support of Agape Flights through the Combined Federal Campaign (CFC).

Through Christian aviation ministry, Agape Flights delivers hope and love to Haiti, Dominican Republic, Bahamas, and Cuba. Equipped with resources for faith-based services, missionaries provide a better life for millions.

WHY SHOULD I SUPPORT AGAPE'S WORK?

More than 350 missionary families rely on Agape Flights to transport the mail and supplies they need while living and working on the mission field in Haiti, the Dominican Republic, and the Bahamas. Agape Flights is an important stateside connection for missionaries -- by serving as their "home" address, Agape provides dependable mail service and the personalized cargo service the missionaries need. Agape Flights also:

- Delivers humanitarian aid and religious supplies into Cuba via the Cuban Council of Churches
- Expedites relief supplies during disasters and emergencies

Agape Flights is an effective means of reaching hurting people through our affiliated mission partners serving in Haiti, the Dominican Republic, the Bahamas, and Cuba. In 2 Corinthians 9, the apostle Paul gives us a clear picture of God's desire for us to "supply the needs of the saints." With that clear mandate, we are committed to making regular mission flights, delivering timely supplies and humanitarian aid. One of Agape's biggest strengths is that it is readily available to the missionaries: a support system on the other end of the phone or email that understands what they need to receive is important and not easily purchased "down the street."
