

Your vote will help keep us flying

Agape Flights is a nonprofit, Christian aviation ministry.

Agape Flights has been selected as one of **15 finalists** to participate in the **2014 Lightspeed Aviation Foundation Pilot's Choice Grant** program.

The nonprofit organizations gathering the most votes from supporters and the aviation community will receive a grant of up to \$10,000.

You can help us reach that goal simply by **casting an online vote at www.agapeflights.com**. Then tell your friends about us and ask them to vote, too, any time between now and Oct. 31.

Agape Flights will use grant money from the Lightspeed Foundation to help fund a \$160,000 overhaul of one of our Pratt and Whitney turboprop engines. This expense is over and above our annual ministry budget of \$1.2 million.

Your vote will help keep us flying.
