Growing to Cuba

Agape's 36 year history is one of faith and expansion of territory throughout the nations of the Caribbean.

In 2016, Agape Flights gained approval from Cuban and U.S. officials to begin flying religious and humanitarian supplies into Cuba, the

largest island in the Caribbean. On August 23, 2016 we made our inaugural mission flight to Cuba with 26 water purification units and food packets to provide over 10,000 meals. **Nearly 20 million people live in the areas regularly reached by Agape's flights to Haiti, the Dominican Republic, and the Bahamas. As Agape expands into Cuba, this number will increase to more than 30 million people!**

On October 24, 2016, after three years of waiting and praying, we welcomed a much needed second aircraft, a Piper Chieftain. This plane, in addition to our larger Embraer 110 aircraft, will allow us to continue our current ministry, while enabling us to expand.

**Please pray with us
as we continue to grow and serve...**
