

Pilot/Mechanic

Status: Full-time, exempt. Starting salary range \$ 45,000 - \$60,000, commensurate with experience.

Reports to: Director of Aircraft Operations & Maintenance

Agape Flights is a Christian aviation ministry, delivering cargo, mail and humanitarian aid to nearly 300 missionary families in Haiti, the Dominican Republic and the Bahamas. In a world where resources are few and the infrastructure is sparse, Agape Flights' timely deliveries of mail and supplies are vital to sustain missionary families and their ministries. Agape Flights also expedites relief supplies during disasters and delivers humanitarian aid to Cuba as regulations allow.

Reporting to the Director of Aircraft Operations & Maintenance the Mechanic/Pilot position supports Agape's mission by participating in the care and maintenance of Agape's aircraft as well as the operations of piloting the aircraft.

Pilot Duties include but are not limited to:

Safely operating the ministry's aircraft. Lifting, loading, and unloading of cargo. Respectful communication with airport workers and authorities, missionary affiliates, and Agape staff. Accurate tracking and reporting of flight cash and cargo. Must be available to participate in every aspect of Agape's cargo flight operations, including out of country overnight trips as required and extensive flying during times of disaster relief response.

Aircraft Maintenance Duties include but are not limited to:

Supports routine maintenance, repairs of aircraft, and scheduled inspections.

Prepares diagnostic reports and suggests repair solutions to supervisor.

Maintains accurate aircraft records, orders and organizes aircraft parts as required, and promotes safety standards in the hangar and shop environments.

Qualifications and Requirements:

- Willingness to take on other duties as required or needed within the realm of flight operations and aircraft maintenance.
- Current U.S. passport
- Commercial pilot's license with instrument and multi-engine ratings
- Ability to maintain a 1st class flight medical (paid for by Agape)
- Airframe and Powerplant license
- Minimum of 2 years active maintenance experience
- A minimum of 1000 hour total flight time, 350 hours multi engine and 100 hours turbine time
- Has a personal relationship with Jesus Christ and a passion to "Serve Christ by Serving His Missionaries"
- Excellent interpersonal and communication skills
- Is detailed oriented, highly organized with good time management skills

Preferred Experience:

- 5 or more years of active aircraft maintenance experience
- FAA inspection authorization
- Experience in flight dispatch operations
- Fluent in Spanish and/or Creole

Performance Characteristics:

- Is compelled and energized by the love of Christ and the Agape Flights' mission to serve missionaries
- Is a strong independent worker who values team collaboration
- Is thorough, accurate and organized, yet flexible
- Is an encourager to volunteers, staff, and missionary affiliates

Interested applicants should email their cover letter and resume to Agape's Chief of Staff, COS@agapeflights.com
